MOBILITY WITHOUT BORDERS

Fundraising Campaign

The Gift of Mobility 2026

To help those in need get moving...

At Purinapaq, we transform generosity into mobility and independence for people living with disabilities. We collect, repair, and then deliver wheelchairs and rehabilitation equipment to individuals in Canada, as well internationally who would otherwise go without.

Your donation does more than provide equipment, it restores dignity, creates opportunity, and opens doors to education, work, and community life.

DONATE NOW
